MAJACE 2026
Sponsorship Overview

Your Personal Invitation

Dear Friends,

MAJACE was created from my love of music, coffee, and the Blue Mountains of the Carolinas; but also from this belief: that music has the power to connect us, elevate us, and open doors where none seemed possible. What began as a gathering of shared passions has grown into something far greater: a community of friends who have grown to become family, rooted in joy, generosity, and purpose.

In 2026, we return to Asheville—the place where this journey began. This homecoming is deeply personal to me, and I am honored to invite you into an experience that blends world-class artistry, meaningful connection, and real philanthropic impact.

Your presence, your partnership, and your belief in this vision make it possible to uplift emerging artists, support education, and create moments that resonate far beyond a single weekend.

Thank you for being part of this story.
I look forward to welcoming you.

Musically Yours,

Marcus Anderson

Meet Marcus Anderson

The Visionary Behind MAJACE

Marcus Anderson is a Grammy- and Stellar Award-nominated saxophonist, entrepreneur, and cultural leader whose artistry has graced global stages alongside icons including Prince, Stevie Wonder, Dave Koz, Brian Culbertson, and Lalah Hathaway.

Beyond performance, Marcus is a builder of experiences and a steward of opportunity. As founder of AND Coffee and the Marcus Anderson Foundation (MAF), then being the first jazz artist to create his own comic book and animated series, *The Creatives*, he merges creativity with purpose, designing platforms that celebrate excellence while investing in future generations.

MAJACE reflects Marcus's life philosophy: artistry with intention, success with responsibility, and community at the center of it all.

WHAT IS MAJACE?

More Than a Festival...MAJACE is A Curated Cultural Escape

Marcus Anderson's Jazz AND Coffee Escape (MAJACE) is a refined, intimate gathering designed for those who value elevated experiences and meaningful connection.

Blending smooth jazz, immersive coffee culture, and intentional hospitality, MAJACE invites guests to step away from the ordinary and into a weekend that restores the spirit and celebrates togetherness.

This is not mass entertainment.

This is curated culture that is crafted with care, intention, soul... and with you in mind.

Why Asheville?

A Homecoming Rooted in Place, Culture, and Connection

Nestled in the heart of the Blue Ridge Mountains, Asheville is a city where creativity, craftsmanship, and soulful expression thrive. Its vibrant arts scene, celebrated culinary culture, and breathtaking natural beauty make it a destination that invites reflection, inspiration, and genuine connection—values that sit at the very core of MAJACE.

At the center of this experience is the Asheville Renaissance Hotel, the official host venue for MAJACE 2026. Located in the heart of downtown, the hotel offers a seamless blend of modern sophistication and local character—serving as both a gathering place and a sanctuary throughout the weekend.

The Renaissance becomes more than a venue; it becomes the heartbeat of MAJACE. From elegant lobby moments

and intimate conversations over coffee, to late-night connections sparked by live music and laughter, the hotel's thoughtfully designed spaces allow the experience to unfold organically—without ever leaving the atmosphere of comfort, refinement, and ease.

For Marcus Anderson, Asheville represents a return to roots—a place where creativity feels grounded and community feels authentic. Hosting MAJACE here creates an environment where guests can fully immerse themselves in the experience, surrounded by mountain beauty, elevated hospitality, and a city that naturally mirrors the spirit of music, coffee, and connection.

This is not simply a destination. It is a setting that holds the experience—intentionally, beautifully, and completely.

Asheville holds the roots of MAJACE, and coming back brings this journey full circle with deeper purpose and significantly greater meaning.

Marcus Anderson Foundation

The Marcus Anderson Foundation (MAF) exists to inspire, empower and elevate through music, education, and leadership. Founded with the conviction that talent must be met by opportunity, MAF bridges the gap between creative promise and meaningful purpose by nurturing not just musicians, but future changemakers.

MAF supports aspiring artists through scholarships, instrument donations and immersive learning-experiences that open doors to STEAM (Science, Technology, Engineering, Arts, and Math) education and creative entrepreneurship.

Every fiber of the organization is grounded in community outreach, education, and the transformative power of live performance.

Through its signature initiative – the L.E.A.P. (Leadership and Entertainment in the Arts Program) – MAF empowers young talent to cultivate purpose, leadership and excellence both onstage and off. Emerging artists gain mentorship, real-world training and access to networks that might otherwise remain out of reach.

And because the “Escape to Asheville” experience of MAJACE 2026 is deeply aligned with MAF’s mission, every moment of the festival becomes a catalyst for empowerment rather than simply entertainment.

Philanthropic Impact Alignment

Philanthropic Alignment Opportunities:

- Named scholarship recognition within the Marcus Anderson Foundation
- Invitation to the annual Foundation Impact Dinner
- Recognition in MAF Annual Report and national press features
- Support for specific impact pillars: Music Education, Leadership Development, and Community Wellness

Benefits of Sponsorship

As a distinguished sponsor of the MAJACE 2026 festival, your support offers far more than brand visibility—it positions you as a key partner in an experience that seamlessly blends culture, luxury, and social impact.

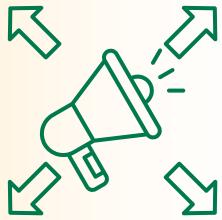

Amplify Your Brand

Align your organization with an experiential extravaganza where world-class jazz, refined hospitality, and immersive coffee culture converge. The MAJACE 2026 offers radiant brand exposure in an environment tailored for discerning, affluent individuals—an opportunity not simply to be seen, but to be admired.

Brand Visibility in Prime Settings

From the elegant host hotel lobby to the social-media spotlight and professionally produced festival video content, your brand will be positioned across every touchpoint of the MAJACE experience. On-site signage, VIP activations, premium branding placements, and post-festival recaps ensure your message is visible where it matters.

Massive Reach & Engagement

The festival's media momentum is unmistakable. Performances garnering national news coverage, underscore MAJACE's capacity to create cultural moments that resonate far beyond the venue. Our social platforms engage an organic network exceeding 250,000 individuals annually, providing a robust foundation for your brand to connect meaningfully with a global community.

Premium Audience

Attendees come from across the United States—historically, over 70% of participants have traveled from outside North Carolina. This audience is comprised largely of adults aged 35-65, with significant disposable income, strong cultural tastes, and an appetite for elevated experiences. Your brand will engage people who do more than just attend festivals—they invest in experiences.

Social Purpose with Measurable ROI

This sponsorship is not just about visibility—it is about impact. Every MAJACE event supports the Marcus Anderson Foundation (MAF), which advances music, STEAM education, and leadership development for emerging creatives. By investing here, your organization aligns with legacy-level philanthropy, and your support can be quantified in terms of scholarships awarded, instruments donated, and young lives empowered.

Exclusivity & Prestige

This is not a mass-market festival. MAJACE is an elevated, curated experience created with luxury, artistry, and intimacy in mind. That means fewer distractions, more meaningful connections, premium pricing, and a highly engaged audience—ensuring your brand impressions carry weight, not noise.

High-Impact Networking

MAJACE offers more than passive sponsorship—it invites you into curated spaces of interaction. Connect with influential business leaders, creative visionaries, and culturally connected individuals in exclusive settings: VIP lounges, artist salons, bespoke networking events. These are environments where meaningful relationships and conversations happen.

Join us in shaping an extraordinary celebration—where your brand enjoys elite exposure, your audience engages meaningfully, and your impact resonates deeply.

MAF Legacy Partner (\$100k +)

For Those Who Believe in Lasting Impact

Legacy-level partnerships are designed for visionary donors and organizations seeking to make a transformative, multi-year impact through the Marcus Anderson Foundation and MAJACE.

These contributions support sustained programming, named initiatives, and long-term educational opportunities—ensuring that creativity, leadership, and access continue for generations to come.

In addition to the highest tier benefits and incentives, Legacy Partners receive:

- Named scholarships or program pillars within MAF
- Private dinners and curated experiences with Marcus Anderson throughout the year (based upon availability)
- Invitation to the annual Foundation Impact Dinner
- Recognition in national press, annual reports, and legacy communications
- Priority access and renewal opportunities for future MAJACE events
- Complimentary tickets at Marcus Anderson concerts where available

Most importantly, Legacy Partners become stewards of a mission rooted in empowerment, excellence, and opportunity.

This is not simply a gift. It is a lasting imprint on lives, culture, and community.

Custom & Philanthropic Opportunities

Designed Around Your Vision

In addition to standard packages, MAJACE offers:

- Custom sponsorships
- Named scholarships
- Legacy-level philanthropic investments

We welcome the opportunity to tailor an experience that aligns with your mission and values.

MAJACE is more than a weekend—it is a shared investment in culture, community, and the next generation of creative leaders.
